

Sunrise

The word 'Sunrise' is written in a large, elegant, white cursive script. A simple white line-art sun with rays is positioned above the 'i' in 'rise'.

WHEN BEAUTY MEETS THE SUN

Sunrise

Discover the extraordinary power of tanning with the new SUNRISE line from the SuperTan brand. Our slogan, **WHEN BEAUTY MEETS THE SUN**, reflects the moment when the beauty of a bronzed body encounters the light of the rising sun on the horizon, illuminating the skin with gentle rays. This unique experience will transport you to that magical moment during every tanning session.

ABOUT LINE

Follow us

NEW

BLACK TATTOO

400x BRONZER

Collagen & Hyaluron Ink Care Formula

Discover the 400x Bronzer and unique tattoo care with Collagen and Hyaluronic Acid in **Black Tattoo** from the **Super Tan brand**.

Black Tattoo is a powerful tanning bronzer that holds two secrets to beautiful skin: Collagen and Hyaluronic Acid. This product not only makes the skin more elastic and soft but, above all, provides an even and long-lasting bronze while acting on the tattoo like a secret elixir. It nurtures and enhances the tattoo color, ensuring its vividness. Everything you need to show off your beautifully tanned skin can be found in Black Tattoo.

SuperTan Black Tattoo is a unique bronzer: skin and tattoo care at the highest level!
